Re: Pittsburgh Technical College and Erie County Technical School Articulation Agreement

As part of our articulation agreement, Pittsburgh Technical College (PTC) and **Erie County Technical School** has agreed to an annual review. Please find below the following changes:

1. Update to PTC Course Code Numbers
2. PTC's Removal of Hospitality Administration Management program
3. PTC's Removal of Smart Building Technology program
4. PTC's renaming of Computer Programming program to Computer Information Systems  
-Software Development

Please notify PTC if Erie County Technical School has any changes has been made to their programs that requires additional review. We kindly request these changes be communicated to PTC no later than July 15, 2022.

If no further changes on the part Erie County Technical School is required, we kindly request that you utilize this updated course equivalency chart in any public materials. No further action will be needed.

Thank you,

Samantha Bycura  
Registrar  
Pittsburgh Technical College
